

## Media Partnership Award

**GreySellsGlobal** are pleased to confirm our being awarded a media partnership with **IES SpA.**, organisers of the **2019 Offshore Mediterranean Conference** to be held in Ravenna, Italy 27-29 March 2019.

GreySellsGlobal will be distributing free copies of their latest **Offshore Mediterranean & Black Sea Oil and Gas Activity Map** from their booth in the Media Area, between halls 2 and 5

About the **Offshore Mediterranean & Black Sea Oil and Gas Activity Map**:

This new map will be the latest in a series of fresh, topical and informative, user-friendly wall maps, again aimed at the decision makers within: project instigators – including NOC's and Operators, the offshore supply chain, investors and financiers and further associated industries, informing the status of offshore oil, gas and marine related projects and future activity.

As in the past, all maps published will be launched at related major industry events, ensuring direct distribution to a targeted audience.

**Topical coverage:**

- **Exploration licenced areas, with Operator Status**
- **Oil and Gas Fields, with development infrastructure – Platforms, Wells, Subsea, Pipelines**
- **Future new developments and activity highlighted**
- **Regional map statistics and charts**

The above coverage and much more, will be featured within the full Mediterranean & Black Sea Oil and Gas Activity Map.

History, and experience, has proven – freely distributed project reference material is eagerly sought after and received.

To target your company at these decision makers and optimise response from this focused audience, please give serious consideration to advertise within this map. Advertising details can be found on our web site – [www.greysellsglobal.com](http://www.greysellsglobal.com)

We hope this new map is of serious interest for inclusion within your companies 2019 media plan.

Further maps are planned for 2018 and 2019. See our media plan.

We look forward to seeing you at **Offshore Mediterranean Conference 2019**.
