

## PRESS RELEASE

# The 2021 North Sea Year Planner

GreySellsGlobal Ltd announce the availability of their new 2021 North Sea Year Planner.

Comprising January to December 2021 calendar panels, plus a full and informed North Sea Oil and Gas Activity Map featuring the location of all the current offshore oil and gas fields and infrastructure, licence blocks including the UK 32<sup>nd</sup> round awards.

The map also includes locations for marginal fields and 'pools' and showing a relationship to fixed and floating platforms 'hubs' and existing subsea tie-backs.

Personalized editions also available (with your company title piece) with multiple finishing options available.

GreySellsGlobal invite you to visit their website for more information and order enquiries.
